## 2008 Washington State Rally

Evergreen's at the WA State Rally

---

## A TYPICAL WEEKEND CHAPTER CAMPOUT

### Thursday/Friday

Arrive at pre-determined campground during the afternoon. Maybe dine at a local restaurant for dinner. Enjoy coffee, cookies, and a campfire as a group. Many members enjoy playing cards or dominoes.

### Saturday

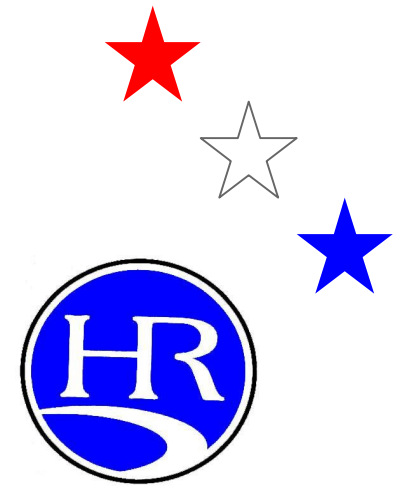

A chapter breakfast, or coffee and donuts. After breakfast there may be a short business meeting. Then a planned activity as a group, or time for sightseeing. The evening begins with a pot-luck dinner. Later a campfire and conversation. Perhaps some games, depends on the interest of the group.

### Sunday

Rise to mid morning coffee and donuts or pot-luck breakfast. After coffee time a short devotion service. Some members will linger most of the day before leaving for home.
